

# you are in COUGAR country

Sandia  
National  
Laboratories

**SANDIA** is within the geographic range of mountain lions. They may be found in this area. Although these animals are seldom seen, mountain lions are unpredictable and have been known to attack without warning.

## **SAFETY TIPS**

- Don't walk or run alone
- Stay on roads and pathways

## **IF YOU SEE A MOUNTAIN LION:**

- Do not approach the animal
- Do not run
- Do not crouch down, bend over, or turn your back
- Do all you can to appear larger

Immediately report all sightings of a mountain lion to the Sandia Central Alarm Station at 294-2300. Or 911 from any onsite phone.

Additional contact information: ES&H hotline, 294-3724.
